**Sub:- Implementation of EPFO e-court Management System-Nomination of Nodal Officers-Regarding**

Sir,

The EPFO e-court Management System has been launched by the Hon'ble Minister for Labour and Employment (IC) on 16.05.2017 at Bengaluru which is in tune with the concept of paperless quasi-judicial proceedings in the organisation. The objective of the project is a transparent and electronic case management system. It is a step towards paperless court system wherein court procedure of EPF & MP Act, 1952 and EPFAT will take place in a digital environment.

2. Once it is rolled out, the parties will be able to file all their paper/evidence/documents online and all the details along with their status can be assessed online. This will also be useful in generation of meaningful and accurate reports for compliance related policy and legal purposes in EPFO.

3. In this regard, in order to operationalize the same across all the offices, existing Nodal Officer for implementation of e-office in Regional offices are designated **to work as** Nodal Officer for implementation of EPFO e-court Management system also.

4. The Nodal Officer(s) nominated for this purpose shall incorporate the details of officers handling all ongoing quasi-judicial cases of the following category into the system and assign the requisite authentication to them to operate the system :

7A, 7B, 7C, 7A, 14B. 26B and Recovery Proceedings.

5. Since, the e-court project will run on the Cloud Service of NIC, reliable internet facilities may be provided to all assessing officers.

Yours faithfully,

(R M Verma)
